

## Special Request Scholarship Awards

CFUW is proud to offer the Special Requests Award. The total amount of the scholarship awarded will be \$2000 annually. This amount can be divided between more than one individual or group.

When applying for a special request scholarship your submission should meet the following criteria.

The request must come from an Educational Institute within Orillia or surrounding area for a female student or group of students (at least one half female) who has already been vetted by said institution. The eligible geographic area is Ramara Township, Chippewas of Rama First Nation, City of Orillia, Severn Township, and a portion of Oro-Medonte from Oro Station north, and west to Coldwater.

To submit an application please include the following in a written document.

1. Give an overview of the project for which you are requesting funds.
2. Clearly state the amount of the scholarship requested and how the money will be utilized.
3. Give an overview of what skills are expected to be gained from the experience that will benefit future schooling and/or employment.
4. On completion of the program, please provide a brief report. Should the purpose of the award be cancelled, the funds should be returned to CFUW Orillia.
5. If the Special Request Scholarship is to be considered for more than one fiscal year (Sept 1-Aug 31) it is necessary to apply each year.
6. Provide your contact information.

Each submission will be reviewed and assessed by a committee and a scholarship will be awarded if said committee agrees that all criteria have been met and the funds are available. The decision of the committee is final.

The students benefiting from the award may be requested to speak to CFUW Orillia members about their experience.
